# AUTHENTICITY

Authentic Chinese and Thai traditions have always defined our kid's menu - food that's fresh, wholesome and made from scratch with the highest quality ingredients. You won't find any trans fats or corn syrup. We've taken a giant step in our commitment to the local community and the environment.

The chicken, beef and heirloom pork we serve is all natural and raised without antibiotics or growth hormones. The salmon is from a sustainable source and the produce is local when available.

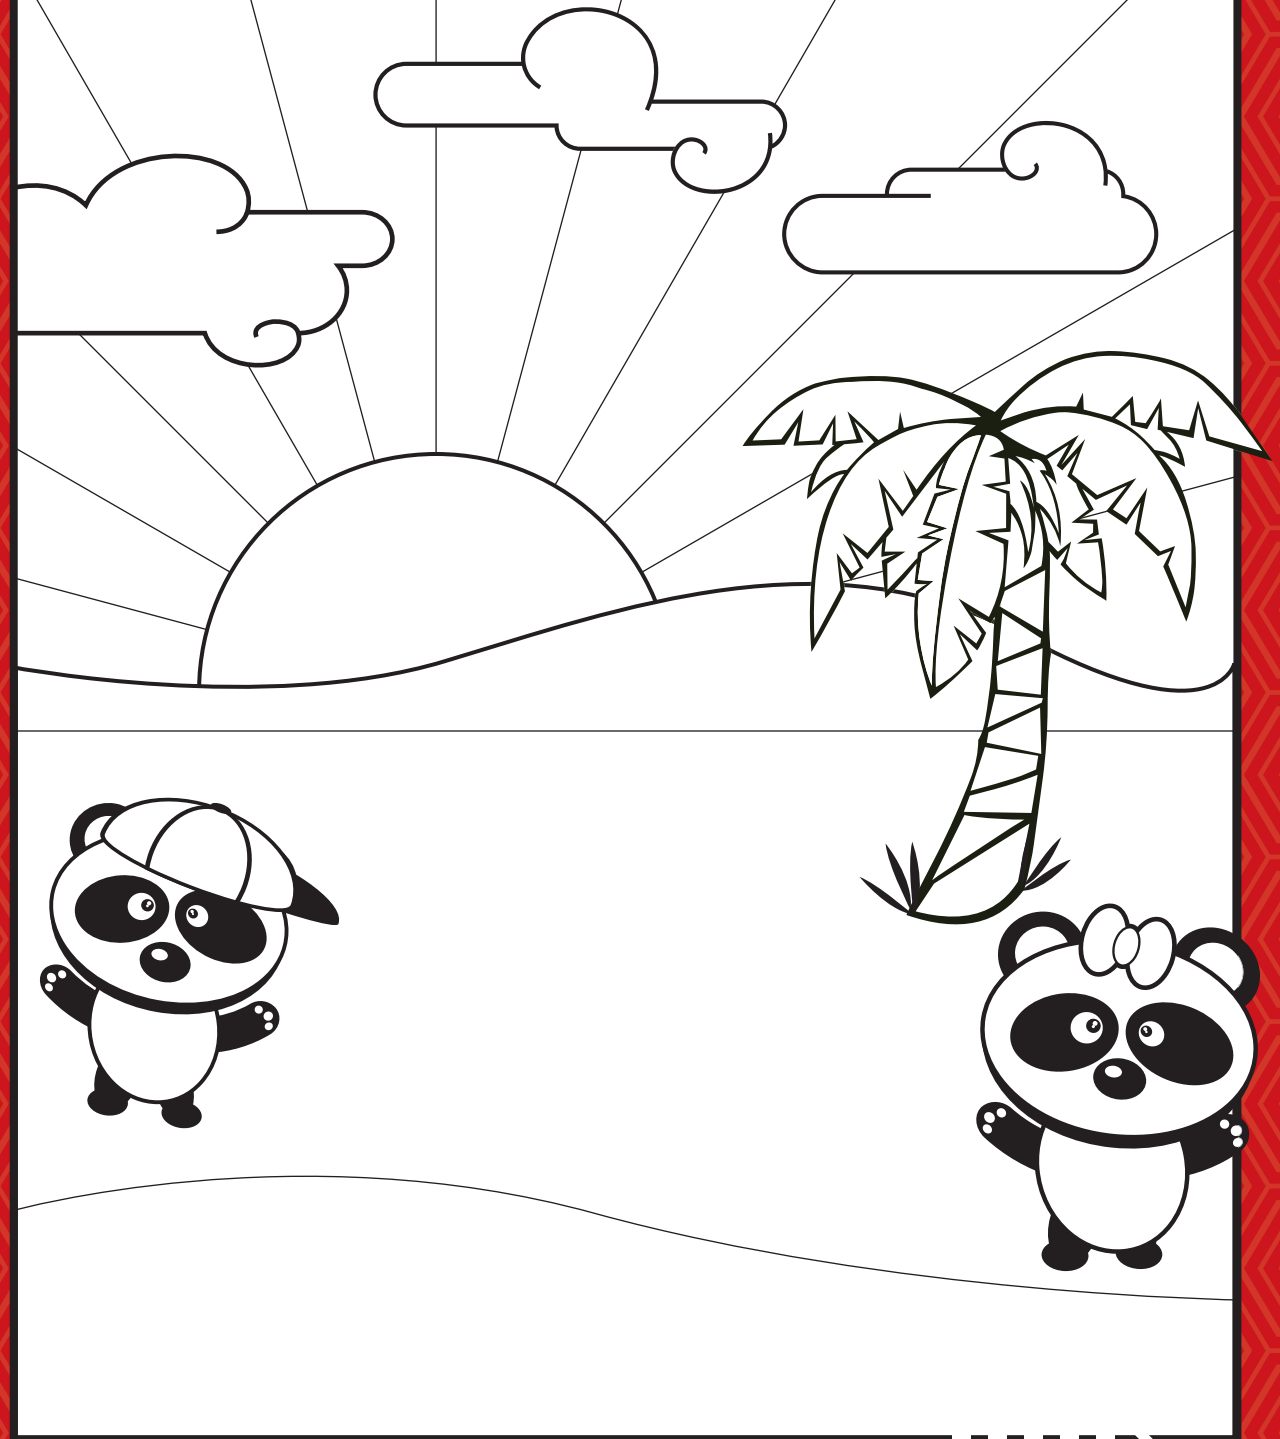

This menu is made from 100% recycled content and is printed responsibly using 100% wind power and eco-safe inks.

At Big Bowl we have 5 goals that guide us in everything we do:
